**ACTOR'S CHILD LEAGUE**

WILL AGAIN COME HERE

The Actors' Child League, of New York, under the management of Miss Nella Whipple, will come to Daytona again this season.

This little troupe spent several weeks here last season, giving entertainments at the hotels in this city and vicinity, including Ormond and New Smyrna.

There will be six children with Miss Whipple this season and they will give an entirely new program of songs and folk dances.

This winter the troupe will first visit Walton, Palm Beach, Miami and other points down the coast, coming later to this city which they will again make headquarters for the remainder of the season.

No admission is charged to the entertainments given, the troupe depending entirely on voluntary contributions from the spectators.

**IMPROVEMENTS IN THE**

SHANTZ ICE PLANT

Sometime since note was made of an addition to the ice department of the Adam Schantz plant. The interior arrangements of that addition are just now being completed and mean much in the convenient handling of the large quantities of ice produced by the plant.

The cold storage room is being piped for the cold storage of ice and a new storage room has been added for that purpose, more than doubling the storage capacity of the plant in which a temperature of thirty degrees can be maintained.

A self-closing ice chute has just been put in between the tank room and the outer passage and all openings are fitted with Stevenson doors, which are probably the best made for this purpose. A small opening, closed in like manner, is used for transferring the ice from the building to the outside platform from which it is loaded into wagons, thus preventing the more rapid change of temperature in the interior, which would occur if a full sized opening was used.

The new arrangement not only adds to the facility in handling, but will save considerable wastage in the ice over the old method.

**FIRST DEATH AT**

INDIAN SPRINGS COLONY

The first colonist to die at Indian Springs colony, the new settlement started by Howe & Currier, west of New Smyrna, was that of Chas. Y. Nellis. He was from Ft. Wayne, Ind. Mr. Nellis had been a sufferer from Bright's disease for a number of years.

The body was interred in the cemetery between Indian Springs and Lake Ashby, and was the first burial in the cemetery.

**PLEASANT HOP AT THE**

DESPLAND SATURDAY NIGHT

The season's gayeties at Hotel Despland opened Saturday night with an elegant hop which was enjoyed by some fifteen or twenty couples.

**HOLIDAY NOTICE.**

Wednesday, January 19th, the anniversary of the birthday of Robert E. Lee, being a legal holiday in the State of Florida, the Merchants Bank will be closed for business on that day. All orders for currency, pay rolls, or transfer of money should be made by Tuesday, January 18, 1910.

-17-2t F. N. CONRAD, Cashier.

**WEDNESDAY—GEN. ROBERT**

E. LEE'S BIRTHDAY.

Wednesday will be the one hundred and second anniversary of the birth of Gen. Robert E. Lee, the great Confederate leader. The day is a legal holiday in the State of Florida and will be observed as such by the Merchants Bank. The postoffice will also observe holiday hours on that day.

**POSTOFFICE RECEIPTS IN**

EXCESS OF LAST YEAR.

Receipts at the Daytona postoffice, according to the statement of Postmaster Smith, exceed all former years. The box rent receipts at present are equal to what they were a month later than this last year. All the lock boxes are now rented and a great many of the call boxes as well. Stamp receipts are also in excess of last season and the incoming mail is much heavier. These increases are pretty good evidence that there are many visitors within Daytona's gates.

**FUNERAL POSTPONED UNTIL**

TOMORROW MORNING.

The funeral of Thomas J. Smith, who died Friday night at his home in Port Orange, was postponed from Sunday until ten o'clock tomorrow morning.

Mr. Smith was a prominent member of the Imp. Order of Red Men, being Past Grand Sachem of the Reservation of Indiana and Past Great Tokalon of the Great Council of the United States, and the local lodge of this city will have charge of the funeral services tomorrow.

**PENINSULA BRUSH FIRE**

LAST SATURDAY NIGHT.

A brush fire on the river front of the peninsula opposite Holly Hill, Saturday night, presented a weird and fascinating spectacle for several hours, and, incidentally, destroyed the appearance of the river front for some time to come.

The fire had all the appearance of being purposely kindled at different points and burned southward for half a mile or more, when it was probably extinguished by citizens of Seabreeze for the protection of that town.

Fortunately the wind was east of north which kept the fire from spreading eastward and confined it mainly to the west face of the bluff, fronting the river. The fire was first noticed just before midnight.

**WIZARD OF FINANCE**

A VISITOR TO DAYTONA

Henry M. Flagler was in the city for a short time Saturday accompanied by J. R. Parrott, president of the Florida East Coast Ry., and a couple of gentlemen from Ormond, coming down from that town by automobile. While in the city Mr. Flagler called upon Dr. and Mrs. J. H. Pierson, at their home on Cedar street, Mrs. Pierson being a niece of Mr. Flagler.

Mr. Flagler said he noted much improvement in Daytona, especially in building up the business portion of Peach street.

Messrs. Flagler and Parrott left this city on the Palm Beach limited, due here at 4:03 P. M., on their return to St. Augustine.

**HORR AND CHENEY**

**STATE REFORMERS CAN NOT**

EXPECT FEDERAL AID

WASHINGTON, Jan. 17—President Taft in his opening address during the opening session of Conference on Uniform Laws today practically declared that State reformers cannot expect the Federal government's aid beyond certain constitutional powers. He insisted on the States retaining their sovereignty and fighting their own social, economic and political battles. He declared that the majority of the conservative work must be done by State legislation.
